Kelly Hopkins

Kelly began her training with Susan Amos, attending the Royal Ballet School and Elmhurst Ballet School. Kelly completed her professional training at Laine Theatre Arts and went on to gain her teaching qualifications with the RAD and ISTD.

After a period of professional stage work and freelance teaching, Kelly became Principal of North Hampshire Academy of Dance, which in the last 14 years has seen great success from its students, many of whom have progressed onto professional dance and musical theatre colleges.

As well as running her own school, Kelly has also taught at several professional schools, in particular Sylvia Young Theatre School where she taught the elite ballet programme for 5 years, working with a great many students working in professional theatre and television.
